On this week's show, we're going to speak with Enrique Aldana. He's our friend of mine and he's also the founder of a philanthropic effort known as Yours Truly Notecards. It's an interesting way to turn a passion into community support.

Each and every Sunday our focus is on Social, Cultural and Economic impacts in Tucson's Urban Core and we shed light on hidden gems everyone should know about. From A Mountain to the U of A and all stops in between. You get the inside track-right here on 99.1 FM, streaming on DowntownRadio.org- we're also available on your iPhone or Android using our very own Downtown Radio app.
